European Chapter of the

European Chapter of the International Precious Metals Institute (EC-IPMI)
10th anniversary of the European Chapter of IPMI
November 12 - 14, 2023 - Vienna, Austria

Precious Metals, Strategic Raw Materials in the Industry

Sunday 12th November 2023

Location:

15:00 – 18:00	Conference Registration open Pick up your badge at the conference registration desk which opens on Sunday 15:00-18:00 o'clock	Registration Deck
18:00 – 20:00	Welcome Drinks and Reception	Restaurant

Monday 13th November 2023

Location

Breakfast	Silver Sponsors	Restaurant						
Sponsored by:								
09:00 – 09:45	General Assembly (All European Chapter Members) Lynda Si-Ahmed - RE Group Business Development Manager, Metalor Technologies SA	Main Room						
09:45 – 10:00	LPPM Responsible Sourcing David Wilkinson - Consultant, LPPM	Main Room						
10:00 - 11:00	Board of Directors Meeting (Directors only) This meeting is only for the board of directors of the EC-IPMI							
10:00 – 12:00	Networking Time							
10:00 – 12:00	Conference Registration Open Pick up your badge at the registration desk which opens on Sunday and also Monday morning	Registration Desk						
12:00 – 13:00	Lunch	Gold Sponsors						
Sponsored by:								
13:00 – 13:15	Introductions	Main Room

Precious Metals, Strategic Raw Materials in the Industry

Monday 13th November 2023

Location:

13:15 – 14:45	Session 1 – PGM Market Update & Outlook		Main Room	
	Session 1 will address the general PGM landscape and its future prospects.			
	Stewart Brown	Johnson Matthey		Moderator
	Dr. Jonathan Butler	Mitsubishi Corporation		PGM Demand Dynamics: from Economic Uncertainty to Applications
	Wilma Swarts	Metals Focus		PGM Supply - Navigating rising costs and shrinking prospects
	Wilma Swarts	Metals Focus		Macro Economics - Panel Discussion
	Dr. Jonathan Butler	Mitsubishi Coporation		
Sandeep Kaler	SFA Oxford			
	Toby Green	BASF		
14:45 – 15:30	Coffee Break / Networking time			
15.30 - 17.00	Session 2 - Workshop Hosted by WiPGM: Carbon Neutrality – PGM Implications for Automotive Sector and Related Industries			
	In session 2, the panel will speak about carbon neutrality and the implications for resource requirements in the automotive sector and related PGM industries and traders.			
	Yana Stunis	Marketing, WiPGM, Anglo Platinum	Moderator	
	Dr. Aurélie Serre	Manager Electrification & Carbon Neutral R&D, Material Engineering Division, TOYOTA Motor Europe NV/SA		
	Julie Daugherty	Multimetco Inc		
	Donna Vareha-Walsh	Head of Physical Trading, Valent Asset Management		
18:00 – 19:00	Cocktail Party			
19:30 – 23:59	Dinner	Platinum Sponsors

Precious Metals, Strategic Raw Materials in the Industry

Tuesday 14th November 2023

Location:

Breakfast	Silver Sponsors	Restaurant
-----------	-----------------	------------

Sponsored by:

09:00 - 10:30

Session 3 - Future Applications & Technologies for Precious Metals

Session 3 will look at future applications that use precious metals and the prospects of them in those industries.

Main Room

Jens Reising	PGM Technologies	Moderator
Sandeep Kaler	SFA Oxford	Iridium and ruthenium: enablers or barriers for the H2 economy?
Koichi Matsutani	Tanaka Kikinzoku Kogyo	Water Electrolysis Technology and Iridium at TKK
Mika Paalanne	Elmery Ltd	Electrifying precious metals refining with tailored electrochemistry

10:30 - 11:00

Coffee Break / Networking time

11:00 - 12:30

Session 4 - Recycling - Update on technologies and regularity affairs

Session 4 will address various downstream applications that use precious metals and the way they can be recycled.

Main Room

Oliver Krestin	Hensel Recycling	Moderator
Toby Green	BASF	Autocatalyst recycling: preparing to contend with structural changes
Christian von Holten	Aurubis AG	Views and updates on circuit boards
Lee M Hockey	Lee M Hockey Consultancy	The importance of efficiently recycling spent PV solar panels

12.30 - 12.40

Closing Remarks - Lynda Si-Ahmed

12:40 - 14:00

Lunch

Gold Sponsors

Restaurant

Sponsored by:

14:00 - 16:00

Workshop - Sampling & Assaying Methodology By Professor Kim. H Esbensen, Ph.D., Dr. (h.c.)

Zbigniew Milkiewicz	Refinery Group Poland	Moderator
Professor Kim. H Esbensen Ph.D., Dr. h.c.	KHE Consulting
